

A Happy First Month Back!

It's been a busy and exciting month at Let's Play Preschool! We have been helping the children settle back in, and so far everything is going really well. The children have settled in beautifully and are enjoying their time at preschool. They have now established a lovely routine and are happily engaging in lots of fun activities every day.

A Play-Based Preschool

At Let's Play Preschool, we are a play-based preschool where children learn through play. Play helps children develop confidence, creativity, social skills, language and so much more. Every activity is an opportunity to explore, discover and learn in a fun and meaningful way.

This Month's Themes
